SHADOWLAND

**FAMED DANCE COMPANY PILOBOLUS
CREATORS OF THE HIT SHOW *SHADOWLAND*
PERFORMED WITH BRITNEY SPEARS AND G-EAZY
AT THE 2016 MTV VMA AWARDS**

(Tuesday, Aug 30, 2016) — **PILOBOLUS**, creator of the hit international show **SHADOWLAND** was showcased Sunday evening performing with Britney Spears and G-Eazy on the 2016 MTV Video Music Awards program. The Rapper and the Pop Superstar performed a mash- up of their hits ‘Make Me’ and ‘Me, Myself and I’ while **PILOBOLUS** provided a mind-bending visual component using innovative shadow work which combines legendary **PILOBOLUS** dance, with high-energy, fast-paced multimedia.

SHADOWLAND by **PILOBOLUS** is coming to [City, day and date](#) following four wildly successful years touring Europe and Asia. Tickets are on sale now and can be purchased [at ticketing information here](#).

SHADOWLAND is the company’s first evening length show and is part shadow act, part dance, part circus and part concert. It was created after several years of experimentation with short-form shadow play. It is a groundbreaking, first-of-its-kind performance conceived in collaboration with Steven Banks, lead writer for the playfully surreal animated series ‘SpongeBob SquarePants’, and is propelled by a rhythmic original score by the popular American musician, producer, and film composer David Poe.

The **PILOBOLUS** presentation on the popular MTV Video Award Show was particularly noteworthy, since it marked the return of Pop Princess Britney Spears after a nine year absence. Spears has been VMA royalty since her early career and has 28 nominations and six wins. She was joined by collaborator, Oakland rapper G-Eazy, who performed with Spears on ‘Make Me’ and who holds the current Billboard hit ‘My, Myself and I’. The music artists loved the Pilobolus dancers, Britney tweeted ‘BIG thank you for the insanely talented @Pilobolus dancers for joining me on stage tonight at the #VMAs. Loved dancing with you all!
