About the Younes and Soraya Nazarian Center for the Performing Arts (The Soraya)

The Younes and Soraya Nazarian Center for The Performing Arts (The Soraya) is an award-winning, state-of-the-art 1,700-seat theatre designed and built by HGA Architects and Engineers and opened in January 2011 as the Valley Performing Arts Center (VPAC). Through a transformative gift by Younes and Soraya Nazarian, the venue was renamed The Soraya in 2017. Vibrant programming has served to establish The Soraya as the intellectual and cultural heart of the San Fernando Valley and its 1.8 million residents and as one of the top arts and culture venues in Southern California. Since its inaugural season, The Soraya has presented over 500 artists and companies across the genres of music, dance, theater, and film and is a highly in-demand location for filming and rental events.

The Soraya's 2024-25 Season boldly advances the expansive sound of orchestras both traditional and contemporary; the freestyle vibe of jazz; an array of dance luminaries, and a cultural bounty drawn from the musical well of global voices. The Soraya continues its vigorous commitment to innovating, excelling, and amplifying access by offering a wide variety of performances that reflect Los Angeles' many distinctive communities and featuring new and original work and artists from the local region as well as nationally and around the world.

Located on the vibrant campus of California State University Northridge (CSUN), The Soraya and the Mike Curb College of Arts, Media, and Communication share an integral link that enhances student access and opportunities in the arts and performing arts. A \$5 million contribution from record producer and former California Lieutenant Governor Mike Curb was pivotal in ensuring the completion and opening of The Soraya in 2011. For his founding support and in acknowledgment of the integral relationship between the Mike Curb College and The Soraya, Mike Curb is recognized as one of The Soraya's Cornerstone Benefactors. This partnership fosters academic and artistic excellence, elevating the talents and the future growth of CSUN's students through master classes, student tickets, concerts of student ensembles, and students appearing alongside renowned artists such as Wynton Marsalis, Aida Cuevas, and Martha Graham Dance Company.
